New Zealand Interschool's Weightlifting Championship 2015 - Round 1

Wow what a fantastic turnout for the first round of the OWNZ Inter-School Competition with 72 lifters representing 37 schools across the country. Congratulations and well done to Auckland Grammar School who tool out first place closely followed by Whangarei Boys High and Wellington High School.

It was great to see so many new schools getting on board and schools that have been away for a while get going again.

Good luck to all schools and lifters for the remainder of the year, train hard!

Attached are the results for the second round of the School Weightlifting League.

Results as follows:

Cheers,

Daryl Blincoe
