

Coach Evolve 2017 Application Process

What is Coach Evolve

As part of our ongoing vision to meet the development needs of Auckland coaches Coach Evolve is a programme designed to support Auckland Coaches working in the development community.

Coach Evolve is a collaborative project between Aktive - Auckland Sport & Recreation and the four Auckland Regional Sports Trusts - Harbour Sport, Counties Manukau Sport, Sport Waitakere and Sport Auckland.

Vision

The vision of Coach Evolve is to advance the performance of community coaches working in the development space with the aim of ensuring all participants are receiving positive experiences that continue to foster personal and sporting growth.

We will do this by –

1. Having a strong emphasis on action learning.
2. Creating environments for cross-code coach sharing and collaboration.
3. Introducing a values based coaching approach to influence positive and lasting behaviour change in participants.
