Decision or Recommendations

Having someone to help E Pilkington with funding applications was tabled for discussion. It was agreed that a call for expressions of interest should be sent out and members of the EG should notify any parties who might be interested in this position. The role would suit a Sports Manager whose input would also be in obtaining sponsorships.

| | Moved by R Patterson and seconded by S Allan to accept the General Managers Report. Passed unanimously. | | | | | |
|-----------------------------|--|--|--|--|--|--|
| Item 3: | 2017 National Secondary School Championships Recap – E Pilkington | | | | | |
| Matters | Both events ran extremely well with the help of officials & volunteers. It was also great to see a large amount of spectators at these competitions! Wellington – 15 females, 9 males Whangarei – 18 females, 28 males Overall – 29 females, 35 males Final event reports are still to be submitted by hosting clubs. E Pilkington will then collate & submit our reports to the NZSSSC. E Pilkington to print certificates and post medals to the Schools of our 2017 National Champions. | | | | | |
| Decision or Recommendations | Simon has spoken to College Sport about the National Secondary School Championships being recognised. Not for 2018, but if we show a growth (ie in the number of schools involved) in the sport, there may be the possibility that in 2019 that it would be recognised as a college sport. Benefits – having students recognised at College Sports Awards. | | | | | |
| Item 4: | 2017 Commonwealth & Oceania Championships Recap – E Pilkington & S Kent | | | | | |
| Matters | E Pilkington to collect feedback from athletes & coaches via online form. The support staff was very impressed with all team members behaviour throughout the trip. Simon had plenty of people from other Countries comment on the professionalism and positive conduct of the NZ Team. Awards: - Oceania Women's Team Champions - Oceania Men's Team Champions - Benet Kumeroa Oceania Best Youth Male Lifter S Kent will work with the selectors and the NZOC over the next few weeks on our 2018 Commonwealth Games Nominations which are due in by 15 th November. | Decision or Recommendations | E Pilkington to relay feedback through to the Coaching Group. | | | | | |
| Decision or Recommendations | E Pilkington to relay feedback through to the Coaching Group. OPERATIONAL ITEMS | | | | | |

| Matters | Please find National Records attached at the bottom of these minutes. |
|-----------------------------|---|
| Decision or Recommendations | Moved by R Patterson and seconded by J Dempsey to accept these records. Passed unanimously. |
| Item 6: | 2017 National Senior & Junior Championships – G Marshall |
| Matters | G Marshall would like the EG to discuss the following: L Hubbard has been denied entry to this event as a result of the fact that her entry & payment was a day late. G Marshall would like the EG to grant Laurel dispensation to lift as she was under pressure at the time, preparing to compete at the Commonwealth/Oceania Championships on the Gold Coast. Two female youth lifters have been given permission to lift but are ineligible because they are only 14 years old. Youth lifters who are between 15 – 17 years are eligible to compete as long as they have reached the qualifying standard. G Marshall suggests that these girls be given permission to lift as guests as they have purchased airfares and accommodation. E Pilkington & S Allan to explain further. |
| Decision or Recommendations | It was agreed that the decision whether to accept late entries be at the discretion of the hosting club. Currently only 2 athletes have requested a late entry – it was suggested that they both be accepted and charged a late entry fee. It was agreed that as the two female lifters have met the qualifying standards, they should be allowed to compete and also be eligible to compete for medals. These recommendations were moved by J Dempsey and seconded by A Jameson. Passed unanimously. |
| Item 7: | Club Affiliation – Auckland City Barbell |
| Matters | Callum Downie has submitted a Club Affiliation Form for Auckland City Barbell which is to be based out of Gillies Ave. His application states that he is a Not For Profit with 5 members and 3 officials. E Pilkington requests more information from OWA on this club affiliation application. |
| Decision or Recommendations | It was agreed that the EG's acceptance of the request for affiliation be made via email following discussions between E Pilkington and OWA. |
| Item 8: | Tracey Lambrechs dispensation to compete at IWF 2017 World Championships – Email received from Tina Ball |
| Matters | Following the success of Tracey Lambrechs at the Commonwealth and Oceania Championships, I am writing to request permission for Tracey to compete at the 2017 World Championships in Anaheim. Tracey put 13kg onto her total moving it from 206kg (Australian International in March) to 219kg this weekend at the 2017 Commonwealth & Oceania Championships. Tracey easily cleaned the 128kg and narrowly missed the jerk which would have given her the 223kg required for elite. Her total left her only 4kgs short and |

| | In addition, Tracey broke two National records (Clean & Jerk and Total) along with winning Silver in the Oceania and Bronze in the Commonwealth. |
|-----------------------------|--|
| | As you are aware Tracey dropped 18kg to compete in the W90kg category and is just starting to consolidate her performances at her new bodyweight. Tracey was unable to qualify for Anaheim at the North Island Championships due to fainting and being ill on the day (for which a medical certificate was supplied). I am confident, given the continued progress that Tracey is making, as well as her commitment to her training, that the qualification total for Anaheim is well within her ability but unfortunately the qualification period has now ended. |
| | The World Championships has been a targeted event on Tracey's Performance Plan and is important for her Commonwealth Games campaign. We believe the event fills a gap in the competition calendar and would be a valuable missed opportunity if she was not able to compete. |
| | E Pilkington/S Kent to relay dialog received by our National Selectors Jodie Mason & Tony Ebert. |
| | G Marshall sent his vote of support via email. |
| Decision or Recommendations | It was agreed that S Kent is to convey to the Selectors that they should make their selections for this event first which will then be given to the EG to ratify via email. |
| Item 9: | U15 National Records broken at 2017 North Island Championships – N King/E Pilkington |
| Matters | Danielle Watson broke the U15 44kg female records at the North Island Championships. E Pilkington & N King did not pick up on this at the time & apologise for the delay in getting this item to the EG so late. Ron Mann has explained to N King that as the North Island Champs is an Open event, the 44kg category therefore isn't recognised. Danielle competed in the under 48kg category but set new under 15 year records in the Snatch, C&J and Total in the 44kg bodyweight class. We currently do not have any youth under 44kg record numbers, Ron Mann will spend some time to set these as we haven't needed any standards until now. |
| | Danielle's records do not have anything to do with the level of referees, this is more a technicality over the categories and at what events can athletes break what records. |
| | E Pilkington & N King recommend the EG to accept these records by Danielle Watson. The record application has been circulated via email to all EG members and if approved, N King will seek signatures from the three referees. |
| Decision or Recommendations | It was recommended that the records should be accepted, noting that there are no specified Youth events of national significance on the calendar such as the event (North Islands Championships) that the athlete competed at. |

| | Moved by J Dempsey and seconded by A Jameson. Passed unanimously. | | | | | | |
|-----------------------------|---|--|--|--|--|--|--|
| Item 10: | Bene Sports Medical Business Partnership – E Pilkington | | | | | | |
| Matters | Bene Sports Medical would like to offer OWNZ \$1,500.00 contra product to promote to members at events like the National Championships in Dunedin in exchange for "Official Medical Supplier" status until the end of 2018. OWNZ is to promote its products & wholesale pricing via Newsletter to Clubs & Members. | | | | | | |
| Decision or Recommendations | was regarded that the offer to a national body in a commonwealth Games year (in 2018), is not sufficient. It was felt nat the offer undervalued the level of exposure the association could receive and E Pilkington is asked to pursue more value out of the relationship and report back to EG. | | | | | | |
| | STRATEGIC ITEMS | | | | | | |
| Item 11: | AGM Preparation | | | | | | |
| Matters | Executive Group Nominations received were: - Vice President: Richard Patterson - North Island Delegate: Simon Kent - No other nominations were received for these positions, therefore no election is required. Officer position were no nominations have been received: - Treasurer Notice of AGM & Alterations to the Constitution - E Pilkington to send a notice to all financial members of OWNZ that states the AGM's details & business (agenda). - Notice of any resolution to alter the constitution of OWNZ must be circulated to all financial members no less than 14 days prior to the AGM. Officers Reports - Due by September 20 th | | | | | | |
| | E Pilkington to have a 2017 OWNZ Annual Report published for the AGM which includes all Officers Reports. | | | | | | |
| Decision or Recommendations | | | | | | | |
| Item 12: | National Selector Applications | | | | | | |
| Matters | E Pilkington received the following applications for the National Selector position: - Nicole Kumerich - Ray Everest - Jason Fanning | | | | | | |
| | | | | | | | |

| | assist with their vote. |
|-------------------------------|---|
| Decision or Recommendations | Jason Fanning was voted unanimously as the new National Selector. Emma to welcome him to the position. |
| | GENERAL BUSINESS |
| | Shanaya – received a successful funding application via Lions Foundation for assistance for Nationals. |
| | Simon – in the build up to Tokyo James Benson is looking to build a partnership with OWNZ. A Proposal has been received - that E Pilkington and S Kent travel to Tokyo to look at the facility and discuss how to move forward. This will be at no cost to OWNZ – and therefore supported by the EG with approval to pursue the relationship to the next stage. |
| | Andy – National Masters in Nelson update. Summit Real Estate will fund prizes, medals and certificates. The hosting club is requesting sponsorship funding from local businesses to purchase for bar and equipment. CSI have offered to take up bars and weights if necessary. |
| | Richie – OTIP programme – IWF pulled funding – so no nominations necessary. |
| | Richie - sought approval for 4 athletes to attend Arnold Sports Festival in Ohio on 1 st – 4 th March 2018: Stefan Hefer, Zoe Glasson, Richard Jones pus one other athlete. The event is part of the American Open series. Richie moved that the 3 named athletes be allowed to attend the Festival. It was agreed by the EG that the event would also be made available to the rest of the OWNZ Membership. The National Selectors to decide on qualifying standards. |
| | Simon also indicated that there may be an Australian Open in February 2018 – yet to be confirmed. |
| | Jules – a number of young NZ lifters are currently training out of Cougar Barbell Club. Discussions were around: Is there a way for these lifters to be able to compete as NZers (members of OWNZ) and remain as members of their Australian club - effectively an offshore club. They would be able to lift for their Australian club in their state competitions but when lifting for a country they would lift for NZ. The suggestion is to be considered and to be discussed with G Marshall. |
| Date & Time for next meeting: | The next meeting will be the OWNZ Annual General Meeting which will be held at the Harbour View Lounge, Edgar Centre in Dunedin from 7.00pm. |
| Meeting ended at: | 8:38pm |
